Newell Larsen in Hawaiian Islands Attends Round Table Convention

On his way to Hawaii to attend the annual meeting of the Million Dollar Round Table of the National Assn. of Life Underwriters is Newell D. Larsen, general agent for Provident Life & Accident Insurance Co., 1616 Gramercy Ave.

Larsen became eligible for the Round Table membership and a chance to attend the annual meeting by being one of the small percentage of U. S. insurance men selling a million dollars worth of life insurance in a single year.

ABOUT ONE per cent of all life insurance salesmen succeed in this accomplishment, according to the National Assn. of Life Underwriters.

Larsen is a member of the board of directors of the Long Beach Life Underwriters Assn. (Harbor Branch), and is active as a board member of the Torrance Lions Club, membership chairman of the Torrance Chamber of Commerce, and a board member of the American Red Cross.

THE ROUND TABLE, which is affiliated with the National Assn. of Life Underwriters, is an international organization. Through its local life underwriters associations, members must belong to the national group or a foreign affiliate to become eligible.

Though most successful agents had been holding conferences on their special types of problems for some years, it was in 1927 that 36 of these men decided to set up a formal organization within NALU to exchange technical information, keep abreast of insurance
